

Stages of readiness

Stages of readiness

- Purpose
- Prototype of Stages of Autonomy
- Personal journey of growth
- How it works

Stages of readiness

			
Being responsible and taking care of things.	I am not ready to use a device, yet.	I am ready to use a tablet.	I am ready to bring and use my own device.
Working with focus and purpose.	I am working in a designated spot.	I am ready to choose my own spot in 1 Building Block.	I am ready to choose my own spot in all Building Blocks.
Being on time.			
Taking care of material and cleaning up after using something.	I am using the material provided by a Learning Guide.	I am ready to use material at Learnlife, independently.	

I'm ready to grow

I'm ready to sprout

I'm ready to bloom
